Kent 11+ Tutoring — Master Syllabus

How to use this workbook, exam formats, and key planning notes

WHAT'S IN THIS WORKBOOK (this file is for students sitting the Kent Test only)

• Topic Bank — every Maths / English / Verbal Reasoning (VR) / Non-Verbal Reasoning (NVR) topic on the syllabus, with c reference and for pinpointing a student's weak areas.

• Resources — the books/series used as question and homework sources for each subject, plus the legal way to use them below).

• 'Year 4', 'Year 4 Pt 2' and 'Year 5 Accelerated' — three week-by-week teaching schedules, one per student track, each ru 2026 – 19 Jul 2027.

EXAM FORMAT REMINDER (checked against current GL Assessment / LA guidance)

Kent Test: GL Assessment. Paper 1 = English & Maths combined (~60 min). Paper 2 = Verbal Reasoning & Non-Verbal Re combined. Plus an unmarked 40-minute creative writing exercise (10 min planning + 30 min writing).

Bexley Selection Test: GL Assessment (provider moving to Quest Assessments from Sept 2026 — confirm current year's p relying on past-paper style). Two ~45-minute mixed papers covering English (comprehension & technical English), Verbal Maths and Non-Verbal/Spatial Reasoning. Scored as three composite ages: Verbal, Numerical, Non-Verbal ability.

Both exams reward speed and accuracy under multiple-choice, timed conditions — this is why every lesson pairs a 'conten a 'reasoning' subject, and why timed/mock-paper weeks are built in.

HOW THE 6-WEEK TEST & REVIEW CYCLE WORKS

• Every 6th week, the Progress Test is set as that week's HOMEWORK (Friday slot) — not a lesson. Both lessons that wee teaching the next fresh topics as normal.

• The following week is a dedicated REVIEW LESSON: both sessions go through the test corrections and the student's wea new topic is introduced that week. Homework that review week is targeted consolidation, not a new topic sheet.

• Genuine new content continues right through to June (see Notes column — '(consolidation)' only appears once a subject' has been covered once in full).

• The final three weeks (July) are a dedicated Testing & Mock Block: no new topics, both sessions are full timed mock pape homework is mock-marking, error-correction and weakest-topic revision — ready for the exam sitting.

A NOTE ON HOMEWORK LEGALITY

Photographing a purchased book and emailing the pages to students is copyright infringement — buying a book licenses th not reproduction/distribution to your client base. Safer routes used in this plan: (1) each family buys their own copy of the s on the Resources tab, (2) you set homework by page/question reference rather than sending scanned pages, (3) where yo distribute worksheets directly, use publishers' photocopiable tutor-licence packs (e.g. Schofield & Sims sells reproducible re your own original questions written in the style of the exam.

CALENDAR NOTE

All tracks start Monday 12 October 2026 and run on real week-commencing dates checked against Kent County Council's
Borough of Bexley's published 2026/27 term dates (half-terms, Christmas and Easter skipped). Re-check both councils' ca
academic year, as dates can move by a few days.

us by Subject

ong/weak (add a tick sheet per student if useful)

Topic
Place value & reading/writing large numbers
Mental & written addition and subtraction
Mental & written multiplication and division
Times-table fluency & rapid recall
Factors, multiples & prime numbers
Fractions: concept, equivalence & comparing
Fractions: +, −, ×, ÷ operations
Decimals: place value & operations
Converting fractions, decimals & percentages
Percentages & percentage-change problems
Ratio & proportion
Number sequences & patterns
Simple algebra: missing numbers & equations
Measurement: length, mass & capacity
Measurement: time, timetables & durations
Money problems & multi-step calculations
Perimeter & area
Volume & properties of 3D shapes
Angles & properties of 2D shapes
Coordinates, reflection, rotation & translation
Statistics: tables, bar/line/pie charts & averages
Multi-step worded problems
Speed, distance & time
Roman numerals & negative numbers
Timed mental-maths & mixed arithmetic practice
Series: what comes next
Analogies: shape pairs
Odd one out (shapes)
Matrices & missing piece
Shape codes
Similarities & grouping shapes
Rotation of shapes
Reflection & symmetry
Nets of 3D shapes [incl. Bexley's 2026-new cubes & nets style]
3D shapes, views & cross-sections
Combining shapes & spatial reasoning
Paper folding & figure analysis (Kent Spatial Reasoning strand) [Kent-only strand; good extra practice for Bexley too]
Mixed timed NVR practice paper
Word classes: nouns, verbs, adjectives, adverbs
Word classes: pronouns, conjunctions, prepositions
Sentence types & clauses (simple/compound/complex)
Punctuation: commas & apostrophes

Punctuation: speech marks, colons & semicolons
Spelling patterns & rules
Vocabulary building: synonyms & antonyms
Figurative language: simile, metaphor, personification, alliteration
Cloze / gap-fill & technical English
Shuffled sentences & proofreading (spot the mistake)
Creative writing technique (planning & structure) [Kent unmarked writing task; bonus practice for Bexley]
Mixed technical English practice paper
Letter sequences & alphabet code
Number sequences
Word codes / coded letters
Number codes
Related words / analogies
Odd one out (words)
Synonyms & similars
Opposites
Hidden words & word-within-a-word
Compound words / make a new word
Insert a letter / missing letter
Move a letter
Complete the sum (maths-in-words)
Mixed timed VR practice paper

30	w/c 21 Jun 2027	• Place value & reading/writing large numbers (consolidation) • Mixed timed NVR practice paper (consolidation)	• Word classes: pronouns, conjunctions, prepositions (consolidation) • Move a letter (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
31	w/c 28 Jun 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
32	w/c 5 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
33	w/c 12 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
34	w/c 19 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics

Year 4 Pt 2

For students in their second year at PassFrame — starts further into each topic list, moves to consolidation & harder application sooner

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
1	w/c 12 Oct 2026	• Ratio & proportion • Similarities & grouping shapes	• Spelling patterns & rules • Synonyms & similars	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Ratio & proportion; Similarities & grouping shapes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Spelling patterns & rules; Synonyms & similars) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
2	w/c 19 Oct 2026	• Number sequences & patterns • Rotation of shapes	• Vocabulary building: synonyms & antonyms • Opposites	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Number sequences & patterns; Rotation of shapes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Vocabulary building: synonyms & antonyms; Opposites) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
3	w/c 2 Nov 2026	• Simple algebra: missing numbers & equations • Reflection & symmetry	• Figurative language: simile, metaphor, personification, alliteration • Hidden words & word-within-a-word	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Simple algebra: missing numbers & equations; Reflection & symmetry) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Figurative language: simile, metaphor, personification, alliteration; Hidden words & word-within-a-word) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
4	w/c 9 Nov 2026	• Measurement: length, mass & capacity • Nets of 3D shapes [incl. Bexley's 2026-new cubes & nets style]	• Cloze / gap-fill & technical English • Compound words / make a new word	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Measurement: length, mass & capacity; Nets of 3D shapes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Cloze / gap-fill & technical English; Compound words / make a new word) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	
5	w/c 16 Nov 2026	• Measurement: time, timetables & durations • 3D shapes, views & cross-sections	• Shuffled sentences & proofreading (spot the mistake) • Insert a letter / missing letter	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Measurement: time, timetables & durations; 3D shapes, views & cross-sections) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Shuffled sentences & proofreading (spot the mistake); Insert a letter / missing letter) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
6	w/c 23 Nov 2026	• Money problems & multi-step calculations • Combining shapes & spatial reasoning	• Creative writing technique (planning & structure) [Kent unmarked writing task; bonus practice for Bexley] • Move a letter	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
7	w/c 30 Nov 2026	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + Bond Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + Bond English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
8	w/c 7 Dec 2026	• Perimeter & area • Paper folding & figure analysis (Kent Spatial Reasoning strand) [Kent-only strand; good extra practice for Bexley too]	• Mixed technical English practice paper • Complete the sum (maths-in-words)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Perimeter & area; Paper folding & figure analysis (Kent Spatial Reasoning strand)) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Mixed technical English practice paper; Complete the sum (maths-in-words)) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	
9	w/c 14 Dec 2026	• Volume & properties of 3D shapes • Mixed timed NVR practice paper	• Word classes: nouns, verbs, adjectives, adverbs • Mixed timed VR practice paper	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Volume & properties of 3D shapes; Mixed timed NVR practice paper) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Word classes: nouns, verbs, adjectives, adverbs; Mixed timed VR practice paper) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
10	w/c 4 Jan 2027	• Angles & properties of 2D shapes • Series: what comes next	• Word classes: pronouns, conjunctions, prepositions • Letter sequences & alphabet code	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Angles & properties of 2D shapes; Series: what comes next) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Word classes: pronouns, conjunctions, prepositions; Letter sequences & alphabet code) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
11	w/c 11 Jan 2027	• Coordinates, reflection, rotation & translation • Analogies: shape pairs	• Sentence types & clauses (simple/compound/complex) • Number sequences	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Coordinates, reflection, rotation & translation; Analogies: shape pairs) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Sentence types & clauses (simple/compound/complex); Number sequences) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
12	w/c 18 Jan 2027	• Statistics: tables, bar/line/pie charts & averages • Odd one out (shapes)	• Punctuation: commas & apostrophes • Word codes / coded letters	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
13	w/c 25 Jan 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + Bond Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + Bond English & VR — next chapters + comprehension response & 10-word vocab list (Fiction extract)	Review lesson (week after Progress Test) — no new topic

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
14	w/c 1 Feb 2027	• Multi-step worded problems • Matrices & missing piece	• Punctuation: speech marks, colons & semicolons • Number codes	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Multi-step worded problems; Matrices & missing piece) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Punctuation: speech marks, colons & semicolons; Number codes) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
15	w/c 8 Feb 2027	• Speed, distance & time • Shape codes	• Spelling patterns & rules (consolidation) • Related words / analogies	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Speed, distance & time; Shape codes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Spelling patterns & rules; Related words / analogies) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
16	w/c 22 Feb 2027	• Roman numerals & negative numbers • Similarities & grouping shapes (consolidation)	• Vocabulary building: synonyms & antonyms (consolidation) • Odd one out (words)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Roman numerals & negative numbers; Similarities & grouping shapes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Vocabulary building: synonyms & antonyms; Odd one out (words)) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	Homework resource switches Bond → CGP from this week
17	w/c 1 Mar 2027	• Timed mental-maths & mixed arithmetic practice • Rotation of shapes (consolidation)	• Figurative language: simile, metaphor, personification, alliteration (consolidation) • Synonyms & similars (consolidation)	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Timed mental-maths & mixed arithmetic practice; Rotation of shapes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Figurative language: simile, metaphor, personification, alliteration; Synonyms & similars) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
18	w/c 8 Mar 2027	• Place value & reading/writing large numbers • Reflection & symmetry (consolidation)	• Cloze / gap-fill & technical English (consolidation) • Opposites (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
19	w/c 15 Mar 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
20	w/c 22 Mar 2027	• Mental & written addition and subtraction • Nets of 3D shapes (consolidation)	• Shuffled sentences & proofreading (spot the mistake) (consolidation) • Hidden words & word-within-a-word (consolidation)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Mental & written addition and subtraction; Nets of 3D shapes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Shuffled sentences & proofreading (spot the mistake); Hidden words & word-within-a-word) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
21	w/c 12 Apr 2027	• Mental & written multiplication and division • 3D shapes, views & cross-sections (consolidation)	• Creative writing technique (planning & structure) (consolidation) • Compound words / make a new word (consolidation)	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Mental & written multiplication and division; 3D shapes, views & cross-sections) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Creative writing technique (planning & structure); Compound words / make a new word) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
22	w/c 19 Apr 2027	• Times-table fluency & rapid recall • Combining shapes & spatial reasoning (consolidation)	• Mixed technical English practice paper (consolidation) • Insert a letter / missing letter (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Times-table fluency & rapid recall; Combining shapes & spatial reasoning) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Mixed technical English practice paper; Insert a letter / missing letter) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
23	w/c 26 Apr 2027	• Factors, multiples & prime numbers • Paper folding & figure analysis (Kent Spatial Reasoning strand) (consolidation)	• Word classes: nouns, verbs, adjectives, adverbs (consolidation) • Move a letter (consolidation)	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Factors, multiples & prime numbers; Paper folding & figure analysis (Kent Spatial Reasoning strand)) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Word classes: nouns, verbs, adjectives, adverbs; Move a letter) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
24	w/c 3 May 2027	• Fractions: concept, equivalence & comparing • Mixed timed NVR practice paper (consolidation)	• Word classes: pronouns, conjunctions, prepositions (consolidation) • Complete the sum (maths-in-words) (consolidation)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
25	w/c 10 May 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Fiction extract)	Review lesson (week after Progress Test) — no new topic
26	w/c 17 May 2027	• Fractions: +, −, ×, ÷ operations • Series: what comes next (consolidation)	• Sentence types & clauses (simple/compound/complex) (consolidation) • Mixed timed VR practice paper (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Fractions: +, −, ×, ÷ operations; Series: what comes next) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Sentence types & clauses (simple/compound/complex); Mixed timed VR practice paper) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
27	w/c 24 May 2027	• Decimals: place value & operations • Analogies: shape pairs (consolidation)	• Punctuation: commas & apostrophes (consolidation) • Letter sequences & alphabet code (consolidation)	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Decimals: place value & operations; Analogies: shape pairs) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Punctuation: commas & apostrophes; Letter sequences & alphabet code) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
28	w/c 7 Jun 2027	• Converting fractions, decimals & percentages • Odd one out (shapes) (consolidation)	• Punctuation: speech marks, colons & semicolons (consolidation) • Number sequences (consolidation)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Converting fractions, decimals & percentages; Odd one out (shapes)) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Punctuation: speech marks, colons & semicolons; Number sequences) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	
29	w/c 14 Jun 2027	• Percentages & percentage-change problems • Matrices & missing piece (consolidation)	• Spelling patterns & rules (consolidation) • Word codes / coded letters (consolidation)	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Percentages & percentage-change problems; Matrices & missing piece) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Spelling patterns & rules; Word codes / coded letters) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
30	w/c 21 Jun 2027	• Ratio & proportion (consolidation) • Shape codes (consolidation)	• Vocabulary building: synonyms & antonyms (consolidation) • Number codes (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
31	w/c 28 Jun 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
32	w/c 5 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
33	w/c 12 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
34	w/c 19 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics

Year 5 Accelerated

12-month accelerated syllabus for a Year 5 starter — starts deep into each topic list to reach full syllabus coverage before the exam sitting

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
1	w/c 12 Oct 2026	• Perimeter & area • Nets of 3D shapes [incl. Bexley's 2026-new cubes & nets style]	• Figurative language: simile, metaphor, personification, alliteration • Compound words / make a new word	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Perimeter & area; Nets of 3D shapes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Figurative language: simile, metaphor, personification, alliteration; Compound words / make a new word) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
2	w/c 19 Oct 2026	• Volume & properties of 3D shapes • 3D shapes, views & cross-sections	• Cloze / gap-fill & technical English • Insert a letter / missing letter	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Volume & properties of 3D shapes; 3D shapes, views & cross-sections) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Cloze / gap-fill & technical English; Insert a letter / missing letter) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
3	w/c 2 Nov 2026	• Angles & properties of 2D shapes • Combining shapes & spatial reasoning	• Shuffled sentences & proofreading (spot the mistake) • Move a letter	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Angles & properties of 2D shapes; Combining shapes & spatial reasoning) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Shuffled sentences & proofreading (spot the mistake); Move a letter) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
4	w/c 9 Nov 2026	• Coordinates, reflection, rotation & translation • Paper folding & figure analysis (Kent Spatial Reasoning strand) [Kent-only strand; good extra practice for Bexley too]	• Creative writing technique (planning & structure) [Kent unmarked writing task; bonus practice for Bexley] • Complete the sum (maths-in-words)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Coordinates, reflection, rotation & translation; Paper folding & figure analysis (Kent Spatial Reasoning strand)) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Creative writing technique (planning & structure); Complete the sum (maths-in-words)) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	
5	w/c 16 Nov 2026	• Statistics: tables, bar/line/pie charts & averages • Mixed timed NVR practice paper	• Mixed technical English practice paper • Mixed timed VR practice paper	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Statistics: tables, bar/line/pie charts & averages; Mixed timed NVR practice paper) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Mixed technical English practice paper; Mixed timed VR practice paper) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
6	w/c 23 Nov 2026	• Multi-step worded problems • Series: what comes next	• Word classes: nouns, verbs, adjectives, adverbs • Letter sequences & alphabet code	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
7	w/c 30 Nov 2026	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + Bond Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + Bond English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
8	w/c 7 Dec 2026	• Speed, distance & time • Analogies: shape pairs	• Word classes: pronouns, conjunctions, prepositions • Number sequences	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Speed, distance & time; Analogies: shape pairs) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Word classes: pronouns, conjunctions, prepositions; Number sequences) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	
9	w/c 14 Dec 2026	• Roman numerals & negative numbers • Odd one out (shapes)	• Sentence types & clauses (simple/compound/complex) • Word codes / coded letters	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Roman numerals & negative numbers; Odd one out (shapes)) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Sentence types & clauses (simple/compound/complex); Word codes / coded letters) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
10	w/c 4 Jan 2027	• Timed mental-maths & mixed arithmetic practice • Matrices & missing piece	• Punctuation: commas & apostrophes • Number codes	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Timed mental-maths & mixed arithmetic practice; Matrices & missing piece) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Punctuation: commas & apostrophes; Number codes) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
11	w/c 11 Jan 2027	• Place value & reading/writing large numbers • Shape codes	• Punctuation: speech marks, colons & semicolons • Related words / analogies	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Place value & reading/writing large numbers; Shape codes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Punctuation: speech marks, colons & semicolons; Related words / analogies) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
12	w/c 18 Jan 2027	• Mental & written addition and subtraction • Similarities & grouping shapes	• Spelling patterns & rules • Odd one out (words)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
13	w/c 25 Jan 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + Bond Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + Bond English & VR — next chapters + comprehension response & 10-word vocab list (Fiction extract)	Review lesson (week after Progress Test) — no new topic

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
14	w/c 1 Feb 2027	• Mental & written multiplication and division • Rotation of shapes	• Vocabulary building: synonyms & antonyms • Synonyms & similars	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Mental & written multiplication and division; Rotation of shapes) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Vocabulary building: synonyms & antonyms; Synonyms & similars) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
15	w/c 8 Feb 2027	• Times-table fluency & rapid recall • Reflection & symmetry	• Figurative language: simile, metaphor, personification, alliteration (consolidation) • Opposites	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Times-table fluency & rapid recall; Reflection & symmetry) + Bond Maths & NVR — next chapters	Homework sheet — English & VR (Figurative language: simile, metaphor, personification, alliteration; Opposites) + Bond English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
16	w/c 22 Feb 2027	• Factors, multiples & prime numbers • Nets of 3D shapes (consolidation)	• Cloze / gap-fill & technical English (consolidation) • Hidden words & word-within-a-word	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Factors, multiples & prime numbers; Nets of 3D shapes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Cloze / gap-fill & technical English; Hidden words & word-within-a-word) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	Homework resource switches Bond → CGP from this week
17	w/c 1 Mar 2027	• Fractions: concept, equivalence & comparing • 3D shapes, views & cross-sections (consolidation)	• Shuffled sentences & proofreading (spot the mistake) (consolidation) • Compound words / make a new word (consolidation)	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Fractions: concept, equivalence & comparing; 3D shapes, views & cross-sections) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Shuffled sentences & proofreading (spot the mistake); Compound words / make a new word) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
18	w/c 8 Mar 2027	• Fractions: +, −, ×, ÷ operations • Combining shapes & spatial reasoning (consolidation)	• Creative writing technique (planning & structure) (consolidation) • Insert a letter / missing letter (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
19	w/c 15 Mar 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
20	w/c 22 Mar 2027	• Decimals: place value & operations • Paper folding & figure analysis (Kent Spatial Reasoning strand) (consolidation)	• Mixed technical English practice paper (consolidation) • Move a letter (consolidation)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Decimals: place value & operations; Paper folding & figure analysis (Kent Spatial Reasoning strand)) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Mixed technical English practice paper; Move a letter) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
21	w/c 12 Apr 2027	• Converting fractions, decimals & percentages • Mixed timed NVR practice paper (consolidation)	• Word classes: nouns, verbs, adjectives, adverbs (consolidation) • Complete the sum (maths-in-words) (consolidation)	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Converting fractions, decimals & percentages; Mixed timed NVR practice paper) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Word classes: nouns, verbs, adjectives, adverbs; Complete the sum (maths-in-words)) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
22	w/c 19 Apr 2027	• Percentages & percentage-change problems • Series: what comes next (consolidation)	• Word classes: pronouns, conjunctions, prepositions (consolidation) • Mixed timed VR practice paper (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Percentages & percentage-change problems; Series: what comes next) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Word classes: pronouns, conjunctions, prepositions; Mixed timed VR practice paper) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
23	w/c 26 Apr 2027	• Ratio & proportion • Analogies: shape pairs (consolidation)	• Sentence types & clauses (simple/compound/complex) (consolidation) • Letter sequences & alphabet code (consolidation)	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Ratio & proportion; Analogies: shape pairs) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Sentence types & clauses (simple/compound/complex); Letter sequences & alphabet code) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	
24	w/c 3 May 2027	• Number sequences & patterns • Odd one out (shapes) (consolidation)	• Punctuation: commas & apostrophes (consolidation) • Number sequences (consolidation)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
25	w/c 10 May 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Fiction extract)	Review lesson (week after Progress Test) — no new topic
26	w/c 17 May 2027	• Simple algebra: missing numbers & equations • Matrices & missing piece (consolidation)	• Punctuation: speech marks, colons & semicolons (consolidation) • Word codes / coded letters (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Simple algebra: missing numbers & equations; Matrices & missing piece) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Punctuation: speech marks, colons & semicolons; Word codes / coded letters) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Non-fiction extract)	
27	w/c 24 May 2027	• Measurement: length, mass & capacity • Shape codes (consolidation)	• Spelling patterns & rules (consolidation) • Number codes (consolidation)	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Measurement: length, mass & capacity; Shape codes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Spelling patterns & rules; Number codes) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Poetry extract)	

Wk	Week commencing	Lesson 1 (Maths & NVR)	Lesson 2 (English & VR)	Comprehension + Vocab	HW – Lesson 1	HW – Lesson 2	Notes
28	w/c 7 Jun 2027	• Measurement: time, timetables & durations • Similarities & grouping shapes (consolidation)	• Vocabulary building: synonyms & antonyms (consolidation) • Related words / analogies (consolidation)	Fiction extract (longer/harder) 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Measurement: time, timetables & durations; Similarities & grouping shapes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Vocabulary building: synonyms & antonyms; Related words / analogies) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract (longer/harder))	
29	w/c 14 Jun 2027	• Money problems & multi-step calculations • Rotation of shapes (consolidation)	• Figurative language: simile, metaphor, personification, alliteration (consolidation) • Odd one out (words) (consolidation)	Fiction extract 10 words + spellings, themed to this week's comprehension extract	Homework sheet — Maths & NVR (Money problems & multi-step calculations; Rotation of shapes) + CGP Maths & NVR — next chapters	Homework sheet — English & VR (Figurative language: simile, metaphor, personification, alliteration; Odd one out (words)) + CGP English & VR — next chapters + comprehension response & 10-word vocab/spelling list (Fiction extract)	
30	w/c 21 Jun 2027	• Perimeter & area (consolidation) • Reflection & symmetry (consolidation)	• Cloze / gap-fill & technical English (consolidation) • Synonyms & similars (consolidation)	Non-fiction extract 10 words + spellings, themed to this week's comprehension extract	PROGRESS TEST — Paper 1 (Maths & NVR/Spatial, all topics so far): complete under timed conditions at home, self-mark with the answer key	PROGRESS TEST — Paper 2 (English & VR, all topics so far): complete under timed conditions at home, self-mark with the answer key; bring both papers' corrections to next session	Progress Test — set as HOMEWORK this week; lesson continues teaching as normal
31	w/c 28 Jun 2027	• Review Lesson — go through Progress Test corrections (Maths & NVR/Spatial) • Targeted practice on this student's weakest Maths & NVR questions	• Review Lesson — go through Progress Test corrections (English & VR) • Targeted practice on this student's weakest English & VR questions	Poetry extract 10 words + spellings, themed to this week's comprehension extract	Consolidate Progress Test weak areas — Maths & NVR (redo test qs) + CGP Maths & NVR — next chapters	Consolidate Progress Test weak areas — English & VR (redo test qs) + CGP English & VR — next chapters + comprehension response & 10-word vocab list (Poetry extract)	Review lesson (week after Progress Test) — no new topic
32	w/c 5 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
33	w/c 12 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
34	w/c 19 Jul 2027	• FULL MOCK PAPER — Maths & NVR/Spatial (timed, exam conditions)	• FULL MOCK PAPER — English & VR (timed, exam conditions)	Mock comprehension paper (timed) Vocab/spelling revision list (weakest 10 words so far)	Mark & correct Lesson 1 mock (Maths & NVR/Spatial) using the answer key; redo the weakest 8–10 questions	Mark & correct Lesson 2 mock (English & VR) using the answer key; redo the weakest 8–10 questions + vocab/spelling revision (cumulative list)	Testing & Mock Block (July) — no new topics
