Proofreading (Set B)

Year 4 · **Mark Scheme**

Lesson Worksheet — Answers

Core Practice

1. "boy's" should be "boys" (plural, not possessive — there is more than one boy and nothing belongs to the boy here).
2. "we" and "saturday" should be capitalised: "We went to the zoo on Saturday."
3. "cant" should be "can't" (missing apostrophe).
4. A) childrens — should be "children's".
5. "runned" should be "ran" (irregular past tense of 'run').
6. "Its" should be "It's" (contraction of 'it is').
7. A question mark (?) is missing at the end.
8. "walks" should be "walk" (to agree with the plural subject 'the three friends').
9. A) "I have two brother's.", C) "We seen the movie last night." and E) "He don't like vegetables."
10. "Blue" should not be capitalised: "My favourite colour is blue."
11. "There" should be "They're" (contraction of 'they are').
12. B) forcast — should be "forecast".
13. The comma should be a full stop or semicolon (or add 'and'): "He plays football. He also plays cricket."
14. "us're" should be "our": "The teacher gave us our homework."
15. C) cycling

Applied Practice

16. "go" should be "went": "Yesterday, we went to the cinema and watched a great film."
17. "they're" should be "their": "The three sisters shared their lunch together."
18. "Its" should be "It's" and "you're" should be "your": "It's important to brush your teeth twice a day."
19. B) missing apostrophe for possession (should be "dog's bone")
20. Missing comma and quotation marks: "He said, 'I'm going to be late.'"
21. "was" should be "were": "The students were excited about the school trip."
22. A) Their — should be "They're".
23. "should of" should be "should have": "I should have finished my homework earlier."
24. A) "She walked to school and then eats her lunch.", C) "They were laughing and then starts crying." and E) "I run to the park and then played football."
25. "effects" should be "affects": "The new rules affect everyone in the school."
26. "Me and him" should be "He and I": "He and I are going to the match tonight."
27. No, this sentence is actually correct — the commas correctly separate items in a list (including the optional comma before 'and') and 'but' correctly introduces a contrasting clause.
28. B) comma splice (should be two sentences or joined with 'and'/semicolon)
29. "Its" should be "It's" and "loose" should be "lose": "It's a shame that the team lose every match this season."
30. A) "The dog's lead is red.", D) "The two girls' coats were left behind." and E) "Who's turn is it next?"

Challenge

31. girls -> girls' (plural possessive apostrophe): "The two girls' picture was hung on the wall."
32. B) has — 'each' is singular
33. should of -> should have

34. it's -> its (possessive, not 'it is')
35. I -> me (object of the preposition 'between')
36. B) fewer — used for things you can count
37. more happier -> happier (only one comparative form is needed)
38. they're -> their
39. A and C (extra, non-essential information needs a comma both before and after it)
40. have -> has ('everybody' is singular)
41. Add a comma after 'tired': "Although she was tired, she finished the race."
42. A — the exclamation mark stays inside the closing speech marks, with no extra comma needed
43. were -> was ('news' is a singular noun)
44. threw -> through (homophone)
45. A and C ('less' is correct for traffic, which cannot be counted individually; 'fewer' is correct for chairs, which can be counted)

Homework Worksheet — Answers

Core Practice

1. "cats" should be "cat's" (singular possessive): "The cat's toy was under the sofa."
2. "we" and "friday" should be capitalised: "We had a great time at the party on Friday."
3. "wont" should be "won't" (missing apostrophe).
4. A) librarys — should be "library's".
5. "swimmed" should be "swam" (irregular past tense of 'swim').
6. "Its" should be "It's" (contraction of 'it is').
7. An exclamation mark (!) is missing at the end.
8. "plays" should be "play" (to agree with the plural subject 'the two brothers').
9. A) "I seen a shooting star last night.", C) "She don't like spicy food." and E) "We was late for the bus."
10. "Next" should not be capitalised: "...and she lives next door."
11. "Their" should be "They're" (contraction of 'they are').
12. A) restaraunt — should be "restaurant".
13. The comma should be a full stop or semicolon: "The sun was setting. It painted the sky orange."
14. "are" should be "our": "Can you pass me our jacket please?"
15. C) dancing

Applied Practice

16. "go" should be "went": "Last night, we went to the restaurant and ordered pizza."
17. "they're" should be "their": "The boys lost their way home after the match."
18. "Its" should be "It's" and "you're" should be "your": "It's vital to wear your seatbelt in the car."
19. B) missing apostrophe for possession (should be "bird's nest")
20. Missing comma and quotation marks: "She shouted, 'Watch out for the step!'"
21. "was" should be "were": "The performers were nervous before the show began."
22. A) There — should be "They're".
23. "could of" should be "could have": "I could have helped you if you had asked."
24. A) "He cooked dinner and then washes the dishes.", C) "They ran to the bus stop and then catches the bus." and E) "I walk to school and then played with my friends."
25. "effects" should be "affects": "The loud music affects my ability to concentrate."
26. "Me and her" should be "She and I": "She and I are best friends."
27. No, this sentence is correct — the commas correctly separate the three items/actions in a list, including before 'and'.
28. B) comma splice
29. "Its" should be "It's" and "loose" should be "lose": "It's a pity the team lose the final every year."
30. A) "The cat's basket is cosy.", B) "The boy's toys are missing." and C) "Whose coat is this?"

Standard / Advanced

31. dogs -> dogs' (plural possessive apostrophe): "The two dogs' lead was tangled."
32. could of -> could have
33. B) is — 'neither' is singular
34. it's -> its
35. I -> me
36. 'Me and my cousin' -> 'My cousin and I'; 'was' -> 'were'. Corrected: "My cousin and I were late for the bus."
37. A and B (both open with a subordinate clause and need a comma before the main clause)

© PassFrame Tuition — for registered student use

38. B — 'fewer' is used for countable things (people), and the verb must agree ('were')
39. 'childrens' -> 'children'; 'rained' -> 'rain': "The children were laughing loudly. Suddenly, it began to rain."
40. A comma is needed after the subordinate clause 'Because he was late': "Because he was late, he missed the bus."
41. 'have' -> 'has'; 'they're' -> 'their'. Corrected: "Neither of the boys has brought their kit."
42. 'most easiest' doubles the comparative form unnecessarily: "This is the easiest puzzle I've done."
43. A and C (a semicolon alone can join two related complete sentences; it should not be combined with 'and', and a comma alone is not enough)
44. A — the exclamation mark sits inside the closing speech marks, with no extra comma needed
45. 'theirselves' -> 'themselves'; 'have' -> 'has': "The jury were arguing amongst themselves. Everybody has a different view."
