Worked Examples

Easy: What word class is "quickly" in "She ran quickly"?

Answer: Adverb — it describes how she ran.

Standard: Spot and correct the mistake: "The children was playing outside."

Answer: was -> were (the plural subject "children" needs the plural verb "were").

Advanced: Identify the technique and its effect: "Silence pressed down on the empty house."

Answer: Personification — silence is given the physical ability to "press down", making an abstract, intangible thing feel oppressive.
