Spelling Patterns (Set B)

Year 4 Pt 2 · **Lesson Worksheet**

Worked Examples

Example 1: Write the plural of 'baby'.

Answer: babies — change the final 'y' to 'i' and add '-es' because the 'y' follows a consonant.

Example 2: Add '-ing' to the word 'hop'.

Answer: hopping — double the final consonant because the word is short, stressed, and ends in a single vowel followed by a single consonant.

Example 3: Choose the correct word: 'I think ___ forgotten her bag.' (shes / she's)

Answer: she's — 'she's' is the contraction of 'she has', which fits the sentence; 'shes' is not a real word.
