Standard / Advanced (15 questions)

1. In 'The remarkably calm pilot landed the aircraft smoothly,' which word is an adverb describing an adjective (not the verb)?

2. In 'The oddly shaped cloud drifted slowly across the sky,' name the two-word adjective phrase describing the cloud, and the single adverb describing how it drifted.

3. In 'The surprisingly fragile vase shattered instantly,' which word is the adverb that modifies the adjective 'fragile' rather than the verb 'shattered'? A) surprisingly B) fragile C) vase D) shattered E) instantly

4. In 'The unusually tall giraffe reached the topmost leaves easily,' which single word functions as an adverb describing another describing word, rather than describing the action?

5. In 'The brightly coloured kite soared gracefully above the beach,' select ALL that apply — which word(s) are adverbs? A) brightly B) coloured C) kite D) soared E) gracefully F) beach

6. Read: 'The old lighthouse keeper climbed the narrow spiral staircase slowly. He checked the lamp carefully before the fierce storm arrived.' List all the nouns, then all the verbs, then all the adjectives, then all the adverbs you can find, organising your answer under four headings.

7. Write a four-sentence description of a busy market. Your description must include at least four nouns, four verbs, three adjectives and three adverbs. Underline each word and label its word class above it.

8. Read: 'The determined climber pushed forward despite the howling wind.' Which word is the adverb, and what does it modify? A) determined — modifies climber B) pushed — the verb itself C) forward — modifies the verb pushed D) howling — modifies wind E) despite — modifies wind

9. Take the sentence 'The thief stole the jewels.' Add one adjective to describe the thief, one adjective to describe the jewels, and one adverb to describe how the thief stole them. Write out your final sentence and label all four added/changed words.

10. Read: 'The ancient, crumbling castle stood silently on the windswept hill, its broken towers creaking eerily in the storm.' Select ALL that apply — which of the following are adjectives in this sentence? A) ancient B) crumbling C) silently D) broken E) eerily F) windswept

11. Explain, with examples from your own writing, why adjectives usually come before nouns in English but adverbs can move to different places in a sentence. Write two example sentences to prove your point.
