Year 5 Accelerated — 11+ Lesson Worksheet (PassFrame Tuition)

Worked examples — tutor talks through these first

Easy: What word class is "gracefully" in "She danced gracefully"?
Method & answer: Adverb — it describes how she danced.

Standard: Spot and correct the mistake: "Neither of the answers were correct."
Method & answer: were -> was ("neither" always takes a singular verb).

Advanced: Identify the technique and explain its layered effect: "Regret was a stone in his pocket, dragging him down with every step."
Method & answer: Metaphor — regret is compared to a physical "stone" that "drags him down", layering the ideas of weight/heaviness and the way it slows and burdens him.
