PassFrame tuition

# Word Classes I

Year 5 Accelerated — 11+ Lesson Worksheet (PassFrame Tuition)

**Worked examples — tutor talks through these first**

**A) Easy:** Which word is the adjective? The tall giraffe ate leaves.
*Method & answer: An adjective describes a noun. 'tall' describes 'giraffe'. Answer: tall.*

**B) Standard:** Identify the noun, verb, adjective and adverb in: The clever fox ran quickly.
*Method & answer: noun = fox; verb = ran; adjective = clever (describes the fox); adverb = quickly (describes how it ran).*

**C) Advanced:** In 'The runner sprinted fast', explain why 'fast' is an adverb here, not an adjective.
*Method & answer: 'fast' modifies the verb 'sprinted' (tells us how he sprinted), so it is an adverb. As an adjective it would describe a noun instead, e.g. 'a fast runner'.*

## Easy / Standard — *work through together, answer 5 in the lesson* ⏱ *15 min (1 min per question)*

**1.** What word class is 'dog' in: The dog barked.

**2.** What word class is 'barked' in: The dog barked.
