Sorting Words and Letters

Year 4 · Homework Worksheet

Worked Example

Standard: Sort the two halves of this word alphabetically by their first letter, then join them back together with a hyphen: 'RIVER' split as 'RI' and 'VER'.

Answer: 'RI' comes before 'VER' alphabetically (R before V), so the answer is RI-VER.

Easy / Standard

(15 questions)

1. Put the letters of 'GLOBE' into alphabetical order.
2. Put the letters of 'WHALE' into alphabetical order.
