Word Progressions & Sequences

Year 4 · Homework Worksheet

Worked Example

Standard: Find the step size, then give the missing word: DOG → EPH → ___ → GRJ

Answer: Each letter moves forward 1 place per step (D→E, O→P, G→H). The missing word moves forward 1 more place from EPH: FQI.

Easy / Standard

(15 questions)

1. In this word progression, each letter moves forward by the same number of places in the alphabet: EYE → HBH → ? What comes next?
2. In this word progression, each letter moves forward by the same number of places in the alphabet: LEG → MFH → ? What comes next?
3. In this word progression, each letter moves forward by the same number of places in the alphabet: BAT → DCV → ? What comes next?
4. In this word progression, each letter moves forward by the same number of places in the alphabet: COW → EQY → ? What comes next?
5. In this word progression, each letter moves forward by the same number of places in the alphabet: MAP → OCR → ? What comes next?
6. In this word progression, each letter moves forward by the same number of places in the alphabet: BOX → CPY → ? What comes next?
7. In this word progression, each letter moves forward by the same number of places in the alphabet: DOG → FQI → ? What comes next?
8. In this word progression, each letter moves forward by the same number of places in the alphabet: CAT → DBU → ? What comes next?
9. In this word progression, each letter moves forward by the same number of places in the alphabet: ANT → BOU → ? What comes next?
10. In this word progression, each letter moves forward by the same number of places in the alphabet: HAT → JCV → ? What comes next?
11. In this word progression, each letter moves forward by the same number of places in the alphabet: EAR → GCT → ? What comes next?
12. In this word progression, each letter moves forward by the same number of places in the alphabet: BUS → CVT → ? What comes next?
13. In this word progression, each letter moves forward by the same number of places in the alphabet: KEY → MGA → ? What comes next?

14. In this word progression, each letter moves forward by the same number of places in the alphabet: CUP → DVQ → ? What comes next?

15. In this word progression, each letter moves forward by the same number of places in the alphabet: SUN → VXQ → ? What comes next?

Standard

(15 questions)

1. Find the step size, then give the missing word: HAT → LEX → ___ → TMF

2. Find the step size, then give the missing word: JAR → NEV → ___ → VMD

3. Find the step size, then give the missing word: PIG → RKI → ___ → VOM

4. Find the step size, then give the missing word: BAT → FEX → ___ → NMF

5. Find the step size, then give the missing word: JAW → NEA → ___ → VMI

6. Find the step size, then give the missing word: OWL → QYN → ___ → UCR

7. Find the step size, then give the missing word: CAT → DBU → ___ → FDW

8. Find the step size, then give the missing word: BEE → EHH → ___ → KNN

9. Find the step size, then give the missing word: PEN → RGP → ___ → VKT

10. Find the step size, then give the missing word: EYE → ICI → ___ → QKQ

11. Find the step size, then give the missing word: WEB → XFC → ___ → ZHE

12. Find the step size, then give the missing word: COW → DPX → ___ → FRZ

13. Find the step size, then give the missing word: DOG → FQI → ___ → JUM

14. Find the step size, then give the missing word: BOX → FSB → ___ → NAJ

15. Find the step size, then give the missing word: MAP → PDS → ___ → VJY

Standard / Advanced

(15 questions)

1. Each letter in this progression moves forward by 3 place(s) in the alphabet each step: PIG → SLJ → ? A) SLJ B) VOM C) WPN D) UNL

2. Each letter in this progression moves forward by 5 place(s) in the alphabet each step: BEE → GJJ → ? A) KNN B) GJJ C) MPP D) LOO

3. Each letter in this progression moves forward by 1 place(s) in the alphabet each step: PEN → QFO → ? A) RGP B) QFO C) SHQ D) UJS

4. Each letter in this progression moves forward by 1 place(s) in the alphabet each step: CAT → DBU → ? A) HFY B) ECV C) FDW D) DBU

5. Each letter in this progression moves forward by 1 place(s) in the alphabet each step: ANT → BOU → ? A) CPV B) DQW C) BOU D) FSY

6. Each letter in this progression moves forward by 2 place(s) in the alphabet each step: RIB → TKD → ? A) TKD B) WNG C) ULE D) VMF

7. Each letter in this progression moves forward by 4 place(s) in the alphabet each step: OWL → SAP → ? A) SAP B) XFU C) WET D) VDS

8. Each letter in this progression moves forward by 4 place(s) in the alphabet each step: WEB → AIF → ? A) DLI B) FNK C) EMJ D) AIF

9. Each letter in this progression moves forward by 3 place(s) in the alphabet each step: FOX → IRA → ? A) MVE B) IRA C) KTC D) LUD

10. Each letter in this progression moves forward by 2 place(s) in the alphabet each step: LEG → NGI → ? A) PIK B) OHJ C) QJL D) NGI

11. Each letter in this progression moves forward by 5 place(s) in the alphabet each step: ICE → NHJ → ? A) NHJ B) TNP C) RLN D) SMO

12. Each letter in this progression moves forward by 3 place(s) in the alphabet each step: SUN → VXQ → ? A) VXQ B) XZS C) YAT D) ZBU

13. Each letter in this progression moves forward by 1 place(s) in the alphabet each step: MAP → NBQ → ? A) RFU B) NBQ C) PDS D) OCR

14. Each letter in this progression moves forward by 5 place(s) in the alphabet each step: BUS → GZX → ? A) MFD B) KDB C) GZX D) LEC

15. Each letter in this progression moves forward by 3 place(s) in the alphabet each step: HAT → KDW → ? A) MFY B) OHA C) KDW D) NGZ
