Word Progressions & Sequences

Year 4 · Lesson Worksheet

Worked Examples

Easy: In this word progression, each letter moves forward by the same number of places in the alphabet: CAT → DBU → ? What comes next?

Answer: Each letter moved forward 1 place (C→D, A→B, T→U). Moving forward 1 more place: D→E, B→C, U→V. Answer: ECV.

Standard: Find the step size, then give the missing word: DOG → EPH → ___ → GRJ

Answer: Each letter moves forward 1 place per step (D→E, O→P, G→H). The missing word moves forward 1 more place from EPH: FQI.

Advanced: Each letter in this progression moves forward by 2 place(s) in the alphabet each step: SUN → UWP → ? A) WYR B) VWR C) WXR D) WYQ

Answer: A — WYR (each letter moves forward 2 more places: U→W, W→Y, P→R).

(15 questions)

1. In this word progression, each letter moves forward by the same number of places in the alphabet: JAW → KBX → ? What comes next?
2. In this word progression, each letter moves forward by the same number of places in the alphabet: OWL → QYN → ? What comes next?
3. In this word progression, each letter moves forward by the same number of places in the alphabet: ARM → DUP → ? What comes next?
4. In this word progression, each letter moves forward by the same number of places in the alphabet: WEB → YGD → ? What comes next?
5. In this word progression, each letter moves forward by the same number of places in the alphabet: PIG → SLJ → ? What comes next?
6. In this word progression, each letter moves forward by the same number of places in the alphabet: RAT → SBU → ? What comes next?
7. In this word progression, each letter moves forward by the same number of places in the alphabet: BEE → EHH → ? What comes next?
8. In this word progression, each letter moves forward by the same number of places in the alphabet: LIP → MJQ → ? What comes next?

(15 questions)

1. Find the step size, then give the missing word: BUS → DWU → ___ → HAY
2. Find the step size, then give the missing word: RAT → UDW → ___ → AJC
3. Find the step size, then give the missing word: TOE → VQG → ___ → ZUK
4. Find the step size, then give the missing word: LEG → NGI → ___ → RKM
5. Find the step size, then give the missing word: LIP → MJQ → ___ → OLS
6. Find the step size, then give the missing word: CUP → FXS → ___ → LDY
7. Find the step size, then give the missing word: ICE → KEG → ___ → OIK
8. Find the step size, then give the missing word: FOX → GPY → ___ → IRA
9. Find the step size, then give the missing word: BAG → CBH → ___ → EDJ
10. Find the step size, then give the missing word: EAR → HDU → ___ → NJA
11. Find the step size, then give the missing word: ARM → BSN → ___ → DUP
12. Find the step size, then give the missing word: RIB → ULE → ___ → ARK
13. Find the step size, then give the missing word: KEY → LFZ → ___ → NHB
14. Find the step size, then give the missing word: ANT → ERX → ___ → MZF
15. Find the step size, then give the missing word: SUN → VXQ → ___ → BDW

2. Each letter in this progression moves forward by 1 place(s) in the alphabet each step: TOE → UPF → ? A) YTJ B) VQG C) UPF D) WRH

3. Each letter in this progression moves forward by 2 place(s) in the alphabet each step: COW → EQY → ? A) GSA B) EQY C) HTB D) FRZ

4. Each letter in this progression moves forward by 2 place(s) in the alphabet each step: CUP → EWR → ? A) EWR B) FXS C) HZU D) GYT

5. Each letter in this progression moves forward by 4 place(s) in the alphabet each step: BAG → FEK → ? A) KJP B) JIO C) IHN D) FEK

6. Each letter in this progression moves forward by 4 place(s) in the alphabet each step: BOX → FSB → ? A) JWF B) IVE C) KXG D) FSB

7. Each letter in this progression moves forward by 5 place(s) in the alphabet each step: LIP → QNU → ? A) QNU B) WTA C) VSZ D) URY

8. Each letter in this progression moves forward by 3 place(s) in the alphabet each step: EAR → HDU → ? A) KGX B) JFW C) HDU D) LHY

9. Each letter in this progression moves forward by 4 place(s) in the alphabet each step: EYE → ICI → ? A) LFL B) MGM C) NHN D) ICI

10. Each letter in this progression moves forward by 5 place(s) in the alphabet each step: KEY → PJD → ? A) TNH B) VPJ C) UOI D) PJD

11. Each letter in this progression moves forward by 3 place(s) in the alphabet each step: JAW → MDZ → ? A) MDZ B) PGC C) OFB D) QHD

12. Each letter in this progression moves forward by 1 place(s) in the alphabet each step: ARM → BSN → ? A) CTO B) FWR C) DUP D) BSN

13. Each letter in this progression moves forward by 4 place(s) in the alphabet each step: RAT → VEX → ? A) YHA B) VEX C) ZIB D) AJC

14. Each letter in this progression moves forward by 2 place(s) in the alphabet each step: DOG → FQI → ? A) ITL B) GRJ C) HSK D) FQI

15. Each letter in this progression moves forward by 2 place(s) in the alphabet each step: JAR → LCT → ? A) OFW B) NEV C) LCT D) MDU
